

# Maximum Wind Speed

1 am, July 13, 2020 - 12 am, July 14, 2020

## Maximum Wind Speed (km/h)

Based on weather data recorded from MB Agriculture Weather Program.  
 Information on the map provides regional representation at monitored locations.  
 The number displayed at each location represents the maximum wind speed in km/h observed at the weather station.

For more information, contact your local Manitoba Agriculture office.
