Report was received and the Committee of Supply obtained leave to sit again.

Following Oral Questions Madam Speaker made the following ruling:

I am ruling on a matter raised on May 13. It appeared that the Honourable Minister of Agriculture had raised a point of order respecting a question asked by the Honourable Member for Thompson. Speaking to the matter were the Honourable Minister, the two House Leaders and the Honourable Leader of the Official Opposition.

Tuesday, June 8, 1999

Upon reading Hansard, it is clear that there was no point of order—the Minister apparently was answering a question. The contributions by the Government House Leader and the Opposition House Leader and the Leader of the Official Opposition were not related to a procedural point, but were debating an issue raised in question period. I would ask Members when they rise on a point of order, or when they make contributions to whether a matter is a point of order or not, to confine their remarks to whether a rule or a practice has been breached.

Pursuant to Rule 20 (1), Mr. DOWNEY, Ms. WOWCHUK, Mrs. DRIEDGER (Charleswood), Messrs. JENNISSEN and LAMOUREUX made Members' Statements.

By unanimous consent, the sequence for consideration for estimates, as outlined in Sessional Paper No. 110 tabled on May 11, 1999, and subsequently amended, was further amended in order that Rural Development be considered in the Chamber for Tuesday June 8, 1999, only and Sport be considered in Room 255 once Environment has concluded.

By unanimous consent, it was agreed that the Committee of Supply meeting in the Chamber determine their own adjournment time for Tuesday, June 8, 1999 only.

By unanimous consent, it was agreed to waive Private Members' Business for Tuesday, June 8, 1999 only.

By unanimous consent, it was agreed that Thursday morning, June 10, 1999 would consist of two separate Private Members' Business hours.

Madam Speaker having left the Chair and the House resolving itself into a Committee to consider of the Supply to be granted to Her Majesty;

And the House continuing in Committee.

The House then adjourned at 6:00 p.m. until 1:30 p.m. tomorrow.

Hon. Louise Dacquay,
Speaker.
