Resolution No. 11: Strengthening, Rebuilding, Investing, and Recovering in 2022

WHEREAS the Provincial Government's priorities in this recovery plan are to focus on strengthening healthcare, clearing the surgical and diagnostic backlog, fighting the growing inflation in order to make life more affordable, helping to build the Manitoba economy, investing in communities, advancing reconciliation, and protecting the shared environment; and

WHEREAS the Provincial Government is strengthening health care in the province by investing record setting amounts in order to clear the diagnostic and surgical backlog; and

WHEREAS the Provincial Government has focused on the specific health care needs of seniors and created a department to focus on these needs; and

WHEREAS the Provincial Government is making life more affordable by helping Manitobans who rent through the creation of a Renters Tax Credit and increasing the money available for those utilizing rent assist; and

WHEREAS the Provincial Government is rebuilding the economy as part of this recovery plan through improvements to infrastructure projects and investing in attracting new immigration to the province; and

WHEREAS the Provincial Government believes that affordable childcare is essential to rebuild the economy, that is why it is investing in childcare to bring down costs and increase available spaces; and

WHEREAS the Provincial Government is investing in rebuilding those communities that Manitobans have been disconnected from over the last two years by investing more money in the building sustainable communities grant program, almost doubling the funding available; and

WHEREAS the Provincial Government is working with First Nation and Indigenous communities by collaborating with Elders, Knowledge Keepers, Leaders, and families to advance the shared goal of reconciliation; and

WHEREAS Manitobans have flocked to Manitoba's parks during the last two years, and the Provincial Government protecting the environment and take action on climate change by expanding the funds available to climate and conservation projects.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba agrees that this is an opportunity to rebuild and recover together by focusing on strengthening healthcare, making life affordable, building the economy, investing in communities, advancing reconciliation, and protecting the environment.
