Mr. WASYLIW moved:

Resolution No. 23: Calling on the Provincial Government to Cancel the Gas Tax Holiday Extension and Bring in Real Solutions for Cost-of-Living Crisis

WHEREAS Manitobans are facing a cost-of-living crisis with record increases in grocery store prices and rental housing increases; and

WHEREAS the Provincial Government cutting the gas tax has caused a loss of revenue of \$340 million dollars, being money that was borrowed and added to the provincial debt and deficit that will cost tens of millions of dollars in interest to repay; and

WHEREAS only 43% of the gas tax goes to families while the other 57% goes to corporations and businesses; and

WHEREAS those who need the help the least get the most benefit as many Manitobans cannot afford to drive and see no benefit from this gas tax holiday at all; and

WHEREAS the average driver will see a savings of \$15 a month from the gas tax holiday, an amount of money that could pull 30% of Manitoba residents out of poverty; and

WHEREAS the revenue from the gas tax could pay for free transit for everyone in Winnipeg, Brandon, Thompson and Selkirk; and

WHEREAS the Provincial Government cannot say if rising gas prices are the result of retailers boosting profits during the gas tax holiday as it has failed to monitor gas prices in any real way; and

WHEREAS grocery prices have remained at an all time high despite the Premier's claim that grocery prices would come down as a result of the gas tax holiday; and

WHEREAS the Provincial Government should focus on real concerns such as Manitoba school children having classes in hallways because there are not enough schools in the province; and

WHEREAS 25,000 Manitoba civil servants have voted to go on strike because the Provincial Government will not bargain a fair deal with workers; and

WHEREAS the Provincial Government has done little to address the current climate crisis and transition away from a fossil fuel economy as its approach to the environment is no different than the previous government.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately cancel the gas tax holiday and redirect that money for real cost-of-living solutions for Manitobans.

And a debate arising,

And Mr. WASYLIW having spoken,

And Mr. PERCHOTTE, MLAs LOISELLE and BEREZA and Ms. BYRAM having questioned the Member,

And the debate continuing,

And MLA PANKRATZ, Mr. PERCHOTTE and MLAs MOYES and BEREZA having spoken,
