ORDERS OF THE DAY

GOVERNMENT BUSINESS

ADJOURNED DEBATE (Fourth Day of Debate):

On the Proposed Motion of Hon. Mr. SELINGER –

THAT this House approves in general the budgetary policy of the government.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

THAT the motion be amended by deleting all the words after "House" and substituting the following:

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) failing to offer any vision and to reflect the priorities of Manitobans;
- (b) failing to provide a long-term tax reduction strategy that addresses the fact that middle-income Manitobans are now, under the Doer government, the highest taxed west of New Brunswick and our business taxes are not competitive;
- (c) failing to provide a sustainable provincial spending plan by introducing a budget with a spending/tax cut ratio of 11 to 1;
- (d) failing to reimburse, as promised, the Fiscal Stabilization Fund of the \$150 million “temporary transfer” taken in the 2001-02 fiscal year;
- (e) failing to provide a strategy to address the exodus of Manitobans to other provinces, an average of 12 Manitobans each day;

(f) failing to address the challenges in health care, including: providing a cardiac care system that meets the needs of Manitobans in a timely fashion, ending hallway medicine within six months as promised, reducing waiting lists for tests and appointments; and recruiting and retaining health care professionals; and

(g) failing to provide adequate supports to Manitoba's agricultural sector.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
