On the Proposed Motion of Hon. Mr. SELINGER –

THAT this House approve in general the budgetary policy of the government.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

*That the Motion be amended by deleting all the words after "House" and substituting the following words:*

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) Failing to be accountable to Manitobans for the overspending and fiscal mismanagement of this Doer NDP government; and
- (b) Failing to be accountable for the fact that Manitoba families will be the highest taxed of any province in Canada; and
- (c) Failing to provide a long-term strategy to bolster Manitoba's economy and make Manitoba a "have" province; and
- (d) Failing to be accountable for the dismal state of agriculture in Manitoba and the lack of sufficient slaughter capacity in the province and to provide a sustainable plan for the growth of agriculture and the rural economy; and
- (e) Failing to provide a climate that encourages private sector job creation and growth in the province, to provide opportunity for Manitoba youth to remain in the province; and
- (f) Failing to accept responsibility and be accountable for the province's unprecedented level of debt, which has grown to over \$20 Billion under the Doer NDP government, thereby mortgaging our children's and grandchildren's future; and
- (g) Failing to eliminate education taxes off residential property and farmland; and
- (h) Failing to provide adequate funding for post secondary institutions; and
- (i) Failing to be accountable for the dead last ranking of Manitoba's health care system by the Conference Board of Canada; and
- (j) Failing to be transparent and accountable for where health care dollars are being spent; and

- (k) Failing to be accountable for the increased court backlog and probation breaches; and
- (l) Failing to provide a long term strategy for the revitalization of rural Manitoba and continuing to ignore rural Manitobans; and
- (m) Failing to be accountable for drawing money from the “rainy day fund” in times of unprecedented revenues.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.
