---

### NOTICE OF MOTION FOR THURSDAY NEXT:

#### PROPOSED RESOLUTION:

**Mr. MAGUIRE – Manitoba Roads**

**9.** WHEREAS many of Manitoba's roads are in a state of disrepair; and

WHEREAS Manitoba's Highway 6 was recently voted one of the most unsafe roads in all of Canada by the Canadian Automobiles Association; and

WHEREAS the majority of Manitobans travel over 5000 kilometres per year on provincial roads;  
and

WHEREAS poor road conditions are the number one public concern related to road safety issues;  
and

WHEREAS approximately 30 per cent of automobile accidents are fully or partially attributable to the road environment; and

WHEREAS there were over 14,000 bodily injury claims to Manitoba Public Insurance in the last 12 months; and

WHEREAS three quarters of Manitobans support increased funding for our road system; and

WHEREAS over three quarters of Manitobans believe that all fuel taxes should go towards roads and highways; and

WHEREAS Manitoba has over a \$3 billion shortfall for road development alone; and

WHEREAS if the Provincial Government does not act immediately to improve the already substandard condition of many of Manitoba's roads and highways, all Manitobans face an elevated risk of safety hazards; and

WHEREAS the most recently available transport Canada studies show that Manitoba leads Canada with the highest number of highway accident injuries per 100,000 people.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the NDP Government to consider making road development and improvement a priority for the province of Manitoba and to consider expeditiously moving forward on completing outstanding projects, not only to enhance safety on our roadways for Manitobans but also to support Manitobans' efforts at creating economic development opportunities throughout Manitoba; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the NDP Government to consider providing greater transparency and accountability in its process of determining capital and maintenance projects as well as in its funding of future projects.
