# NOTICE PAPER

## NOTICE OF MOTION FOR THURSDAY:

### PROPOSED RESOLUTION:

#### Mrs. MITCHELSON – Pharmacare Deductible Increases

8. WHEREAS Pharmacare is a drug benefit program for any Manitoban, regardless of age, whose income is seriously affected by high prescription drug costs; and

WHEREAS the Provincial Government has increased Pharmacare deductibles six times in the last seven years, indeed every year since 2002 except during the 2007 election year; and

WHEREAS these increases account for a cumulative 34 percent increase in Pharmacare deductible rates for Manitobans; and

WHEREAS seniors and low income Manitobans on fixed incomes are the most negatively affected by these increases often having to choose between purchasing much needed medications and groceries;

WHEREAS in a nation wide assessment of drug coverage the Canadian Medical Association Journal (CMAJ) found that Manitoba does not in fact have the most comprehensive drug coverage in Canada as the Minister of Health frequently asserts;

WHEREAS the CMAJ found that in some instances Manitoba seniors pay far more than their counterparts across Canada for the same prescriptions; and

WHEREAS in a 2006 audit of Manitoba's Pharmacare Program the Auditor General found that the Provincial Government has not sufficiently explored all avenues available to improve the efficiency and effectiveness of Pharmacare and to contain the cost growth of the program and improve the efficiency; and

WHEREAS the Provincial Government is forcing seniors and low income earning Manitobans to pay for its failure to properly manage the Pharmacare Program.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider reversing its decision to increase Pharmacare deductibles by 5 percent in the 2008 Provincial Budget; and

THEREFORE BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to consider reducing health care bureaucracy, as previously promised, and to consider directing those savings into sustaining Pharmacare and improving patient care.
