RESOLUTION:

Ms. BRAUN – Affordable Seniors Housing

6. WHEREAS seniors and elders deserve quality affordable housing; and

WHEREAS it is important that seniors and elders have access to housing in locations that keep them connected to their community and their families and close to places where they receive the services vital to their health and wellbeing; and

WHEREAS the Provincial Government has invested \$98 million in the first phase of its long-term care and housing strategy for seniors, Aging in Place; and

WHEREAS the Aging in Place strategy includes: expanded capacity for long-term care options such as supportive housing, specialized supports and supports for seniors in group living, replacement of three- and four-bed rooms with one- and two-bed rooms to help improve quality of life in personal-care homes; and

WHEREAS Assisted Living programs have been expanded with an additional 5 units completed in 2007 with the goal of providing different types of living accommodations for persons with disabilities; and

WHEREAS the Provincial Government recognizes that one housing method does not work for all seniors and elders which has led to alternatives to personal care home placements that are affordable and linked to the community; and

WHEREAS the Provincial Government is committed to making sure that seniors and elders have a range of services that fit their particular life and social needs; and

WHEREAS seniors and elders are often more vulnerable when in care and making sure that they are not exploited is essential to protecting the integrity of older persons; and

WHEREAS the Provincial Government has mandated the Manitoba Housing Renewal Corporation (MHRC) to monitor private seniors homes to make sure that operating agreements are fair and equitable for all seniors and elders; and

WHEREAS the Province of Manitoba must continue to support seniors and elders to ensure that they continue to be well cared for and have a range of services that continue to meet their personal needs; and

WHEREAS with Budget 2009, the Provincial Government recognizes the importance of infrastructure spending as an economic stimulus, with \$387 million to be spent on social and affordable housing.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba support the efforts of the Provincial Government in its ongoing development of seniors and elders affordable housing; and
