RESOLUTION:

Ms. CROTHERS – 70th Anniversary of D-Day

20. WHEREAS June 6, 2014 marks the 70th Anniversary of D-Day; and

WHEREAS D-Day was the largest seaborne invasion in history and an important turning point in the Second World War, ultimately leading to the liberation of Europe by Allied Forces; and

WHEREAS Canadian forces were given a major role in the D-Day mission with more than 14,000 Canadian soldiers landing on the shores of Normandy, 10,000 members of the Royal Canadian Navy at sea and 15 Royal Canadian Air Force squadrons controlling the skies above; and

WHEREAS three Manitoba units took part in the invasion, The Fort Garry Horse, The Royal Winnipeg Rifles who were in the vanguard and landed on Juno Beach and the 402 “City of Winnipeg” Squadron who flew Spitfires as overhead cover; and

WHEREAS the bravery and resolve displayed by Canadian forces on D-Day helped shape our national consciousness and defined Canada’s prominence on the world stage; and

WHEREAS victory in the Normandy campaign came at a terrible cost with 1074 Canadian casualties, 359 of whom gave their lives; and

WHEREAS it is important to honour the sacrifice, selflessness and valour of our men and women who fought against tyranny and oppression on that significant day and throughout the Second World War.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to recognize the importance of June 6, 2014 as the 70th Anniversary of D-Day in order to honour the bravery of our veterans and acknowledge the pivotal role these events played in our country’s history.

(Mr. PEDERSEN)

OPPOSITION DAY MOTION:

Mr. EICHLER –

THAT the Legislative Assembly call on the Provincial Government to respect Manitobans as the real owners of Manitoba Hydro by immediately reconsidering the plan to at least double hydro rates for Manitoba families over the next 20 years in a risky Hydro development scheme that has already cost taxpayers \$2.6 billion dollars to create power that independent experts conclude will not be required to meet domestic needs until as late as 2034, and serves only to funnel billions of dollars in additional hidden Hydro taxes and fees to the Provincial Government.
