RESOLUTION:

Mr. GRAYDON – Community Based Home Support for Seniors

21. WHEREAS seniors in Manitoba deserve to remain in their homes for as long as possible and should only be moved in to a personal care home when it is absolutely necessary; and

WHEREAS Manitoba's population for the age group 65 years and older is growing, having increased proportionally in every Regional Health Authority in the last five years; and

WHEREAS a rapidly aging population in Manitoba means initiatives to properly care for the health needs of older adults are necessary; and

WHEREAS a group of churches in southern Manitoba developed a supportive care pilot project and ran it successfully for three years; and

WHEREAS the Gardens on Tenth is a community based project in Altona, founded by local churches, that allow seniors to continue living close to home without placing a burden on personal care home services in the community; and

WHEREAS supportive care staff is available at the Gardens on Tenth on a 24 hour a day, 7 day a week basis, allowing seniors to remain in the facility for as long as it is safe to do so; and

WHEREAS seniors and caregivers from all across the province would benefit from similar programs and the health care system would also benefit by potentially lessening the burden on personal care homes across Manitoba.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to partner with and support community groups to allow seniors to remain in their homes for as long as it is safe to do so through assisted living projects, supervised living projects and other group living projects.

OPPOSITION DAY MOTIONS:

Mr. EICHLER –

THAT the Legislative Assembly call on the Provincial Government to respect Manitobans as the real owners of Manitoba Hydro by immediately reconsidering the plan to at least double hydro rates for Manitoba families over the next 20 years in a risky Hydro development scheme that has already cost taxpayers \$2.6 billion dollars to create power that independent experts conclude will not be required to meet domestic needs until as late as 2034, and serves only to funnel billions of dollars in additional hidden Hydro taxes and fees to the Provincial Government.

Mrs. STEFANSON –

THAT the Legislative Assembly of Manitoba urge the Provincial Government to immediately commission an independent report with agreed upon bi-partisan research parameters to objectively evaluate the economic impact over the next five years of the \$1,600 in broken tax promises and fee hikes that have been forced on Manitobans since the imposition of the illegal PST hike on July 1, 2013.
