NOTICE OF MOTION FOR WEDNESDAY:

OPPOSITION DAY MOTION:

Mrs. STEFANSON –

That the Legislative Assembly urge the Provincial Government to request the Auditor General conduct a comprehensive audit of the Investors Group Field construction project.

NOTICE OF MOTION FOR THURSDAY:

PROPOSED RESOLUTION:

Mr. GRAYDON – Improving Manitoba’s Long-Term Personal Care Home Strategy

6. WHEREAS there are currently 125 licensed personal care homes (PCH) across Manitoba, consisting of less than 10,000 beds; and

WHEREAS all trends point to an increasingly aging population, who will require additional personal care home facilities; and

WHEREAS by some estimates, by 2036, Manitoba will require an increase of more than 5,100 personal care home beds – an annual increase of approximately 250; and

WHEREAS from 2009 to 2014, the Provincial Government has inadequately increased the supply of PCH beds by a mere 68 across the province, with a decline of 43 throughout the Prairie Mountain RHA since amalgamation; and

WHEREAS the number of Manitobans with Alzheimer’s disease or another dementia-related illness who will require personal care home services are steadily increasing and threatening to double within the current generation; and

WHEREAS the last personal care home review in many areas, including the Swan Valley area, currently under administration of the Prairie Mountain Regional Health Authority, was conducted in 2008; and

WHEREAS occupancy rates across the province are exceeding 95%, with some regions such as Swan Valley witnessing 100% occupancy rates; and

WHEREAS there are more than 1,750 Manitobans awaiting placement in a PCH; and

WHEREAS these high occupancy rates are creating conditions where many individuals requiring long-term care are being displaced far away from their families and home community.

THEREFORE BE IT RESOLVED that the Provincial Government be censured for their lack of progress in increasing PCH beds, stripping many Manitobans of their right to age with dignity; and

BE IT FURTHER RESOLVED that the Provincial Government be urged to immediately enact a province-wide review of the long-term care needs of residents of Manitoba; and

BE IT FURTHER RESOLVED that the Provincial Government recognize the stresses placed upon the healthcare system by the aging population and be urged to increase the availability of long-term care spaces (PCH beds) in communities across the province.
