WHEREAS the Provincial Government is a government with progressive values and having progressive governments at the Provincial and Federal levels allows for more priorities to be accomplished; and

WHEREAS the Premier has called for a national inquiry into missing and murdered Indigenous women and girls and the Provincial Government looks forward to the Federal Government calling this inquiry; and

WHEREAS investing in infrastructure helps create good jobs and a federal partner will allow for more building infrastructure across Manitoba; and

WHEREAS the new Prime Minister has promised major new investments into northern and remote roads, such as the East Side Road and Freedom Road and the Provincial Government will be at the table to partner on those projects; and
