**GOVERNMENT BUSINESS**

**ADJOURNED DEBATE (SIXTH DAY OF DEBATE):**

On the Proposed Motion of Hon. Mr. FRIESEN –

THAT this House approves in general the budgetary policy of the Government.

And the Proposed Motion of Ms. MARCELINO (Logan) in amendment thereto as follows:

*THAT the motion be amended by deleting all of the words after "House" and submitting:*

therefore regrets that this budget neglects the priorities of Manitobans, ignores the needs of families and seniors and fails to present a clear, strategic and inclusive vision for the future of Manitoba by:

- a) going back on the promise to protect front line services and making deep cuts to the services families depend on; and
- b) closing three emergency rooms and an urgent care centre in Winnipeg, leaving families in north and south Winnipeg without timely access to emergency or urgent care; and

- c) cutting the health infrastructure budget by 20 per cent after cancelling \$1 billion in health projects including critical facilities like CancerCare, an ACCESS centre or primary care clinics in the north; and
- d) ignoring the campaign promise to build thousands of personal care home beds after eliminating the Hospital Home Team program and cancelling personal care home projects in Winnipeg and rural Manitoba; and
- e) making no real investment in healthcare prevention and healthy living programs which keep families and seniors out of emergency rooms; and
- f) refusing to raise the minimum wage for a second year, hurting low-income workers, who are predominantly women, while failing to offer any job creation strategy for Manitoba workers; and
- g) cutting millions of dollars from Manitoba's housing budget and failing to match the Federal Government's housing commitment; and
- h) failing to make the communities families and seniors live in safer, without any new commitments to prevent crime and deal with the root causes of crime; and
- i) refusing to reverse their changes to the Provincial Nominee Program, including removing the additional fee and removing any incentives for newcomers to settle down in Manitoba; and
- j) failing to provide any investments in promoting gender equality and closing the pay gap for women in the workplace, while removing capacity within the Status of Women Secretariat; and
- k) investing so little into Manitoba's childcare system that it only addresses three per cent of the childcare waitlist; and
- l) raising post-secondary tuition fees by up to seven per cent and deregulating course fees; and
- m) balancing the budget on the backs of students by raising taxes on recent post-secondary graduates up to \$2,500 a year, while refusing to make investments in universities and colleges; and
- n) failing to present any kind of strategy for training and long term job creation in Manitoba to grow the province's economy and support youth in changing and uncertain economic times; and

- o) making no new commitment to build new K-12 schools, such as Waterford Green or in south Brandon, as well as no new investments in science labs, shops, classrooms or gyms for public schools and cutting the education infrastructure budget by nearly 30 per cent, following the Provincial Government's short-sighted elimination of the small-class size initiative; and
- p) cutting tax credits for post-secondary students but giving political donors a tax break on donations; and
- q) cutting spending on highways by nearly \$30 million, on top of a previous cut of nearly \$50 million in the previous budget, at a time when investment in strategic infrastructure is necessary to grow the economy; and
- r) making almost no investment for northern Manitoba without a long term strategy to grow the north's economy or a plan to revive the economy of Churchill or a plan to work with Indigenous groups to create a sustainable vision for the communities in the north; and
- s) failing to provide any real strategy to combat climate change after the Provincial Government brought in a regressive bill to weaken water protection standards and environmental regulations; and

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.

And the Proposed Motion of Ms. KLASSEN in sub-amendment thereto as follows:

*THAT the amendment be amended by adding after clause (s) the following clauses:*

- t) failing to address the most vulnerable by not increasing Employment Income Assistance amounts to 75% of the Market Basket Measure; and
- u) failing to support advancements in Mental Health Care by freezing the overall mental health funding; and
- v) failing to support community development and home repairs in Manitoba by freezing funding to Neighbourhoods Alive!; and
- w) failing to support science and innovation by not updating technology systems; and
- x) failing to develop a duty to consult on a framework for Indigenous communities; and
- y) failing to support Justice diversion programs like Drug Courts, Mental health Courts and Youth Justice Committees; and
- z) failing to protect the environment by cutting funding to the Clean Environment Commission, Water Science and Watershed Management; and

- aa) failing to invest in the promotion of practical home ownership opportunities for Indigenous families; and
- bb) failing to support public education by cutting funding to school divisions; and
- cc) failing to provide multi-year agreements to community development organizations; and
- dd) failing to support the vulnerable by cutting the funding for victim services; and
- ee) failing to support community safety by cutting funding for crime prevention; and
- ff) failing to support people with disabilities; and
- gg) failing to support Children in Care by continuing to claw back the children's special allowance while cutting funding to CFS organizations who have demonstrated positive results; and
- hh) failing to provide funding for a suicide prevention plan; and
- ii) failing to provide an economic plan for First Nation communities; and
- jj) failing to invest in northern or rural health care by not increasing budgets to inflation; and
- kk) failing to uphold the Jordan's principal resolution as unanimously voted by this House by cutting the funding to Indigenous health - Intergovernmental Strategic Relations by almost one million dollars or 33% of the total budget; and
- ll) failing to commit funding for the Kelvin High School gym and the Dakota Alumni field.

**DEBATE ON GOVERNMENT RESOLUTION:**

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada’s population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.
