DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government's unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government's decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province's growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada's population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.
