15. WHEREAS the COVID-19 pandemic has presented unprecedented challenges; and

WHEREAS the Provincial Government has always been committed to protecting vulnerable citizens and those most at risk; and

WHEREAS the best long term defensive strategy against COVID-19 is vaccination; and

WHEREAS the Provincial Government has established the Vaccine Implementation Task Force, which harnesses medical and logistics expertise from across government departments to manage the largest vaccination campaign in the province's history; and

WHEREAS the Provincial Government is delivering the vaccine to Manitobans via a multi-pronged approach, including Focused Immunization Teams and vaccine supersites in locations across the province; and

WHEREAS future plans include mobile and pop-up vaccination sites in communities throughout the province, as well as vaccination through doctors' offices and pharmacies when more vaccine supplies become available; and

WHEREAS the Provincial Government has recruited health care professionals from across Manitoba who have offered their time and expertise to take part in this historic immunization campaign; and

WHEREAS the Provincial Government prioritized the most vulnerable citizens living in personal care homes, and had administered second doses to all eligible and consenting personal care home residents by the end of February; and

WHEREAS the Provincial Government recognizes the disproportionate impact that COVID-19 has had on First Nations Manitobans, and is working in partnership with First Nations leaders to ensure that vaccine planning and distribution meets the needs of First Nations communities; and

WHEREAS the Provincial Government is preparing to make the vaccine available to all Manitobans when adequate vaccine supply is made available by the Federal Government.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba recognize the efforts of the medical and logistics professionals working on the Vaccine Implementation Task Force, the health care professionals who have volunteered as immunizers, and all those frontline workers whose perseverance and courage have carried Manitobans through this unprecedented time.
