RESOLUTION:

MLA LINDSEY – Calling Upon the Provincial Government to Follow Through on Its Commitment to Provide Manitobans with Highspeed Broadband Services

13. WHEREAS high speed broadband and cellphone services should be available to all Manitobans throughout the province, including in remote northern and rural communities; and

WHEREAS in November of 2021, the Provincial Government promised to connect 125,000 Manitobans in 350 different rural and northern communities to highspeed broadband services by handing over Manitoba Hydro Telecom's dark fibre network to a private company; and

WHEREAS nearly a year and a half later it's clear the Provincial Government has broken its promise to Manitobans as it has failed to make any progress; and

WHEREAS communities such as Cranberry Portage, Cormorant, Lynn Lake, Leaf Rapids, Cross Lake, Brochet, Lake Brochet, Moose Lake, Tadoule Lake, Alonsa, St. Laurent and more are still without highspeed broadband services and/or cellphone services; and

WHEREAS according to 2023 data from the Canadian Radio-Television and Telecommunication Commission report, only 14.58% of First Nation communities in Manitoba have access to highspeed internet; and

WHEREAS lack of highspeed broadband and cellphone services disadvantages students, stifles tourism and hinders economic opportunities like new mining operations; and

WHEREAS lack of cellphone services is a public safety issue as many Manitobans can't even call 9-1-1 in an emergency due to lack of service; and

WHEREAS neighbouring province Saskatchewan has highspeed broadband and cellphone services throughout the province, despite being geographically larger and having fewer residents.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government for failing to follow through on its commitment to provide highspeed broadband services to northern and rural Manitoba.
