NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Ms. NAYLOR – Condemning the Provincial Government for Failing to Uphold the Right to Housing for All Manitobans

16. WHEREAS Canada has recognized the Universal Declaration of Human Rights in Article 25(1) which includes housing as part of the right to an acceptable standard of living; and

WHEREAS Canada has also recognized the International Covenant on Economic, Social and Cultural Rights Article 11(1) that declares housing as part of the right to an “adequate standard of living,” and calls on governments to “take appropriate steps to ensure the realization of this right”; and

WHEREAS housing is a basic necessity required for survival, and the Canadian National Housing Strategy Act calls housing “essential to the inherent dignity and well-being of the person and to building sustainable and inclusive communities”; and

WHEREAS other jurisdictions have put forward legislation that would affirm the human right to housing, such as Ontario, which proposed establishing an Independent Housing Commissioner and a Housing Inequities and Disparity Working Group to study “housing on the basis of it being a human right for individuals and groups”; and

WHEREAS access to affordable housing contributes to achieving beneficial social, economic, health, and environmental outcomes; and

WHEREAS many Manitobans face homelessness or housing instability, and according to the 2022 Winnipeg Street Census there were more than 1,200 people experiencing homelessness in Winnipeg, including more than 100 who were unsheltered; and

WHEREAS End Homelessness Winnipeg estimates that experiencing homelessness cuts 7-10 years off a person’s lifespan; and

WHEREAS this situation has been made worse by the Provincial Government’s failure to build any new units of social and affordable housing, instead selling off hundreds of social housing units; and

WHEREAS the Provincial Government has further hurt renters in Manitoba by allowing for massive above guideline rent increases, including approving 100% of above guideline rent increases in 2019-2020, resulting in some renters paying up to 30-50% more in housing costs, and hiking taxes on renters by cutting the renters' tax credit; and

WHEREAS provincial goals, timelines and initiatives relating to housing and homelessness are essential to improving the quality of life for Manitobans, particularly persons in greatest need.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government for failing to uphold the right to housing for all Manitobans and for selling off hundreds of social housing units, failing to build new units, cutting the repair and maintenance budget by millions of dollars and cutting rent assist.
