

## Summary

**BORLAND CONSTRUCTION (1989) LIMITED** (name change to Borland Construction Inc.)

**PERMANENT ASPHALT PLANT (CLIENT FILE: 4201.00)**

A Proposal has been filed by Mr. Terry Stelmack, on behalf of Borland Construction (1989) Limited for the development of a permanent asphalt plant to be located at 190 Dawson Road in The City of Winnipeg. The facility will be used for the production of asphalt. The aggregate will be dried in a dryer fuelled by used oil and the emissions from the dryer will be controlled by a baghouse.
