Dear Mr. Friesen:

Re: Border Land School Division – Ross L. Gray School Wastewater Collection and Disposal System: Environment Act Licence No. 1387

Environment Act Licence No. 2867 was issued to the School Division on February 9, 2009 for a replacement wastewater collection and disposal system for the Ross L. Gray School in Sprague. It has recently come to our attention that when this licence was issued, Environment Act Licence No. 1387, issued on July 25, 1990 for the previous system, was not rescinded.

Environment Act Licence No. 1387 is hereby rescinded, and File No. 3179.00 is closed.

Sincerely,
