ORDINARY LICENCE - WILLOW HILL FARMS  
SW ¼ of Section 25-22-28W,  
Rural Municipality of Shellmouth.

139  
J.A.

This licence is issued pursuant to the Clean Environment Act permitting Willow Hill Farms to discharge contaminants or wastes arising from the operation of a cattle feedlot located on the SW ¼ of Section 25-22-28W in the Rural Municipality of Shellmouth subject to the following conditions:

- (1) The licensee shall ensure that the liquid waste and surface drainage arising from the operation of the said feedlot do not flow off the property.
- (2) The licensee shall ensure that all liquid waste and surface drainage from the feedlot are collected and retained in such a manner as to prevent the contamination of ground water.
- (3) The licensee shall ensure that all wastes are removed in such a manner and at such times of the year as to minimize the release of offensive odours and that the said wastes are spread on arable land in accordance with good agricultural practices.
- (4) The licensee shall ensure that the cattle population is limited to 200 head on the said premises at any one time.
- (5) The licensee shall ensure that all dead animals are rendered in a registered rendering plant, incinerated in an incinerator approved by the Commission, or disposed of in some other manner acceptable to the Commission.
