ORDINARY LICENCE - ST. ANTHONY HOSPITAL,
67 - 1st Street West, The Pas, Manitoba.

This licence is issued pursuant to The Clean Environment Act permitting St. Anthony Hospital to discharge contaminants into the air from the operation of a Class 2A incinerator located on the premises of St. Anthony Hospital, 67 - 1st Street West, The Pas, Manitoba, subject to the following conditons:

- (1) The licensee shall ensure that the waste material incinerated is limited to Type II wastes.
- (2) The licensee shall ensure that the incinerator on the said premises is operated in such a manner that it meets the ambient air criteria set by the Clean Environment Commission and attached hereto as Schedule "A".
- (3) The licensee shall ensure that the incinerator on the said premises is operated in such a manner that it meets the atmospheric emission standards set by the Commission and attached hereto as Schedule "C".

Chairman,
The Clean Environment Commission.
