Dear Tim Shanks:

**Re: South End Water Pollution Control Centre – Environment Act Licence
No. 2716 RR – Quarterly Progress Report Acknowledgement**

Thank you for the quarterly progress report dated October 31, 2024 regarding the upgrades at the South End Water Pollution Control Centre (SEWPCC). The report covers the period from July 1, 2024 to September 30, 2024.

I acknowledge receipt of the report. This acknowledgment letter should not be construed as an approval of the proposed work or the planned timeline for its completion. Given that construction is sufficiently completed such that the effluent limits can be met, the City of Winnipeg is no longer required to submit quarterly progress reports.

The City of Winnipeg must continue to submit monthly reports with adequate details including the current status for each of the identified activities and milestones. Upon completion of all construction activities, you are required to submit a construction completion report to EABDirector@gov.mb.ca and ECEBranch@gov.mb.ca.

Should you have any questions regarding this letter, please contact Siobhan Burland Ross, Engineering Manager, Industrial and Wastewater, Environmental Approvals Branch at Siobhan.BurlandRoss@gov.mb.ca or 204-793-6487.

Sincerely,
