

Notice of Environment Act Proposal

Manitoba Sustainable Development has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

TOWN OF MELITA - LAND APPLICATION OF BIOSOLIDS – FILE: 108.20

A proposal was filed on behalf of Town of Melita for the removal of biosolids and sludge solids from the primary and secondary cells of the Town's wastewater treatment lagoon located on portions of NW-31-3-26 WPM and NE-36-3-27 WPM. The biosolids and sludge solids will be removed from the lagoon site, transported to privately owned farmlands, and land applied in accordance with provincial regulatory requirements. The registered land owner of the parcels of land involved has been contacted and is willing to have the biosolids and sludge solids applied to the agricultural land. The parcels of land where the biosolids and sludge solids may be applied are located within: NE and SE of 36-3-27 WPM, NW-25-3-27 WPM; and 26-3-27 WPM.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (asit.dey@gov.mb.ca), not later than OCTOBER 17, 2016. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Asit Dey, Environmental Engineer at 204-945-2614.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
