

## Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

### **VILLAGE OF WASKADA WASTEWATER TREATMENT LAGOON – FILE: 124.10**

A Proposal has been filed by the Village of Waskada for the continued operation of its wastewater treatment lagoon. The facility is located in N 6-2-25W, a short distance west of the Village, and has been in operation since 1966. The only proposed change to the facility is the addition of a truck dumping facility and all weather access road to accommodate sanitary wastewater from oilfield construction activity in the area. The facility would continue to discharge treated effluent to Waskada Creek during the period May 15 – October 31.

**Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail ([bruce.webb@gov.mb.ca](mailto:bruce.webb@gov.mb.ca)), not later than OCTOBER 24, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4<sup>th</sup> Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.**

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
