Dear Kim Arnal:

RE: St Claude Wastewater Treatment Lagoon - Environment Act Licence 1666 S3 - Licence Suspension Request

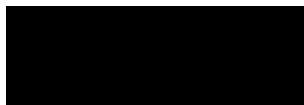

This letter is to acknowledge the emailed request submitted by the RM of Grey, on November 2, 2021, to commence discharging treated wastewater from the St Claude Wastewater Treatment Lagoon outside of the discharge dates as specified in Environment Act Licence 1666 S3.

I am granting a suspension of Clause 8(d) of Environment Act Licence No. 1666 S3, which allows you to proceed with the discharge. The suspension is in effect from November 3, 2021 to November 14, 2021 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 1666 S3 remain in effect.

If you have any questions, please call Katie Martin, Environment Officer in Portage la Prairie at Katie.Martin@gov.mb.ca or 204-485-6797.

Sincerely,

Kristal Harman
Director, Environmental Compliance
and Enforcement
