Dear Sheldon Stott:

**Re: Environment Act Licence No. 2870 RRR - Notice of Alteration Request**

Thank you for your notice of alteration to Environment Act Licence No. 2870 RRR, received February 23, 2022 and additional information received June 9, 2022, July 19, 2022, and August 17, 2022. I understand you wish to increase the capacity of the industrial wastewater treatment facility from 1960 to 2290 m<sup>3</sup>/d.

I approve the alteration per Section 14(2) of The Environment Act. I am satisfied it will not have a significant impact on the environment. Your effluent discharge quality must continue to comply with the licensed limits.

All other clauses of Environment Act Licence No. 2870 RRR and the notice of alteration approval dated May 7, 2021, remain in effect.

Should you have any questions regarding this approval, please contact Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch at [Jennifer.Winsor@gov.mb.ca](mailto:Jennifer.Winsor@gov.mb.ca) or 204-945-7012.

For questions relating to the ongoing administration of the licence, please contact Kristy Forrestall, Regional Supervisor, Environmental Compliance and Enforcement Branch at [Kristy.Forrestall@gov.mb.ca](mailto:Kristy.Forrestall@gov.mb.ca) or 204-573-0518.

Sincerely,

Original Signed By
