

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF LA BROQUERIE LAGOON EXPANSION – FILE: 2833.20

A proposal was filed by the Rural Municipality of La Broquerie for the expansion of an existing wastewater treatment lagoon located in the north half of 31-6-8 EPM in the Rural Municipality of La Broquerie. The Rural Municipality of La Broquerie is in the process of purchasing the land required for the expansion. The expansion consists of the addition of two aeration cells and a building to house an office and various sewage treatment components in NW 31-6-8 EPM and other related ancillary components for the expanded lagoon. The expansion also includes raising the dykes of the two southmost cells of the existing wastewater treatment lagoon by 1.0 metre to increase storage capacity. It is proposed that treated wastewater from the aerated wastewater treatment lagoon may be discharged between April 16th and October 31st inclusive of any year to the Seine River that flows to the Red River.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (robert.boswick@gov.mb.ca), not later than February 26, 2015. Further information is available from the Public Registries located at Legislative Library, 200 Vaughan, Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Robert Boswick, Environmental Engineer at 204-945-6030.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
