Dear Rebecca Wroblewski:

Re: Boeing Canada Operation Ltd – 99 Murray Park Road - Notice of Alteration

Thank you for the Notice of Alteration (NoA) you submitted on November 20, 2015 that proposed to install an additional paint booth in the new building expansion located at 99 Murray Park Road. The additional paint booth used for painting 737 MAX component parts is equipped with a three stage exhaust air filtration system and a roof mounted indirect natural gas fired air make-up unit.

I have concluded that the environmental effects from the NoA are insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* you are hereby authorized to carry out the alteration as described in the November 20, 2015 NoA. This approval is conditional on the submission of a revised floor plan of the facility following completion of the alterations.

If you have any questions regarding this matter, please contact Donna Smiley, Provincial Manager, at (204) 945-7072 or by email at Donna.Smiley@gov.mb.ca.

Yours sincerely,
