Dear Mr. Waldner:

**RE: Environment Act Licence Suspension  
Discharge of Effluent from Wastewater Treatment Lagoon**

This letter acknowledges the emailed request submitted by the Norquay Holding Co. Ltd. on June 20, 2017, to commence discharge of effluent from the secondary cell of the Norquay Holding Co. Ltd. wastewater treatment lagoon without meeting the effluent limit for total coliform specified in Environment Act Licence 1336 RR.

I am granting a suspension of Clause 18(c) of Environment Act Licence No. 1336 RR pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from June 21, 2017 to July 4, 2017, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 1336 RR remain in effect.

If you have any questions, please call Jay Rackham, Environment Officer in Portage la Prairie at (204) 239-3868.

Yours sincerely,

Don Labossiere  
Director, Environmental Compliance and Enforcement
