Dear Mr. Poirier:

**Re: R.M. of St. Francois Xavier Wastewater Treatment Lagoon Expansion –  
Environment Act Licence No. 2661 R**

Receipt of the November 25, 2014 email and attached reports submitted by WSP Canada Inc. on behalf of the R.M. of St. Francois Xavier is acknowledged as a request for authorization to commence operation of the wastewater treatment lagoon expansion.

The laboratory results associated with the October 15, 2014 inspection of the clay liner of the R.M. of St. Francois Xavier wastewater treatment lagoon expansion indicate that the requirements of Clause 12 of the Licence have been attained.

Authorization to commence operation of the wastewater treatment lagoon expansion in accordance with the limits, terms and conditions of Environment Act Licence No. 2661 R is hereby provided.

Please complete any outstanding works for the development in a timely manner and provide the "record drawings" of the wastewater treatment lagoon to the Environmental Approvals Branch on or before April 2, 2015.

If you have any questions, please contact me at 204-945-7012.

Yours truly,
