Adam Turner, Chief Administrative Officer  
Rural Municipality of Woodlands  
Box 10, 57 Railway Avenue  
Woodlands, MB R0C 3H0

Dear Mr. Turner:

**Re: Rural Municipality of Woodlands – Wastewater Treatment Lagoon Upgrade –New Primary Cell and Modified Secondary Cells Liner**

This is further to liner installation reports from AMEC Foster Wheeler relative to the recently constructed Primary Cell and upgrades made to the existing Secondary Cells at the Rural Municipality of Woodlands wastewater treatment lagoon located on SE 23-14-2 WPM. The reports were submitted by Mr. Jeffrey Hutzul, C.E.T. of J. R. Cousin Consultants Ltd. on November 29, 2016. Environment Act Licence No. 1563 R (Licence) applies to this lagoon.

The test results indicate that the soil liner of the Primary Cell and upgraded Secondary Cells of the lagoon meets the requirements of Clause 16 c) of the Licence regarding hydraulic conductivity. Authorization to operate the above mentioned cells of the lagoon is provided pursuant to Clause 19 of the Licence. Record drawings for the facility are due within four months of the date of this letter (by March 30, 2017) as required by Clause 41 of the Licence.

If you have any questions regarding this matter, please contact me at (204) 945-2614 or at [asit.dey@gov.mb.ca](mailto:asit.dey@gov.mb.ca).

Yours sincerely,
