Dear Mr. Howes:

Re: Repository Cell Use for Temporary Storage of Solids – Dangerous Goods Handling and Transportation Act Licence 58 HW S2 RRRR

Thank you for your December 7, 2018 letter regarding Licence 58 HW S2 RRRR. The request is for temporary storage of waste solids in an area of the Repository Cell which achieved compliance for construction requirements in the fall 2018.

Upon review of the amendment request, I have concluded that the environmental effects of the proposed alterations will be insignificant, and therefore, you are hereby authorized to carry out the proposed amendment to treat and stage waste solids contained in steel drums.

If you have any questions regarding this matter, please contact the undersigned at 204-250-7645 or cory.graham@gov.mb.ca.

Yours sincerely,

Tracey Braun, M.Sc.
