Dear Todd Yakielashek:

**Re: Notice of Alteration- Extension of Environment Act Licence No. 2191 E**

Thank you for your request dated July 11, 2022, to change Environment Act Licence No. 2191 E. I amend clause 37 to extend the licence's term from December 31, 2022, to March 31, 2024, following section 14(2) of The Environment Act.

The extension allows time for Crown-Indigenous consultation with communities potentially affected by Louisiana-Pacific Canada Ltd.'s forestry operations. It will inform the Manitoba government's decision on whether to issue the company a new 20-year forest management plan (FMP). Manitoba will make an Environment Act licensing decision for the FMP once the consultation is complete.

I have copied my colleague Matt Conrod, Director of The Forestry and Peatlands Branch, as he manages forestry operations. I have also copied the public registry as this letter will be publicly available.

If you have any questions about this approval, please contact Krystal Penner, Senior Environment Officer, Environmental Approvals Branch at [Krystal.Penner@gov.mb.ca](mailto:Krystal.Penner@gov.mb.ca) or 204-945-7107.

Sincerely,
