Dear Marci Quane:

This letter acknowledges the request submitted by the Municipality on June 11, 2024 to allow the discharge of effluent from the secondary cell of the Riverdale Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence No. 1189 R.

The department has reviewed the request and submitted information. I am granting suspension of Clause 27(f) of Environment Act Licence 1189 R pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of the secondary cell. Please be advised that all other clauses in Environment Act Licence No.1189 R remain in effect.

If you have any additional questions or would like to discuss this matter further, please contact Abbey Bingham, Environment Officer, Environmental Compliance and Enforcement, at Abbey.Bingham@gov.mb.ca or 431-541-7477.

Sincerely,
