Dear Rick Bobby:

Re: Mountain Quota Holders Association - Notice of Alteration Approval - Environment Act Licence No. 2601

Thank you for your letter dated April 20, 2022. I acknowledge the letter as a notice of alteration. You have requested to extend Environment Act Licence No. 2601 until December 31, 2022. The extension will allow the Mountain Quota Holders Association to continue forestry operations in Forest Management Units 12 and 14.

I am satisfied that the potential changes in the environmental effects resulting from the extension would be insignificant. I approve the extension in accordance with section 14(2) of The Environment Act, with the following conditions:

1. The Licensee shall maintain a valid Annual Operating Plan for Forrester Management Units 12 and 14;
2. This Licence shall be in effect until December 31, 2022;
3. All other clauses of this Licence remain in effect; and
4. The Licensee shall strictly adhere to any additional specifications, limits, terms, and conditions that may be identified by the Director of Forestry Branch and the Regional Integrated Resource Management Team of the Manitoba government.

If you have any questions, please contact Elise Dagdick, Environment Officer, Environmental Approvals Branch at Elise.Dagdick@gov.mb.ca or 204-619-0709.

Sincerely,
