Dear Aaron Goethe:

Re: Notice of Alteration – Extension of Environment Act Licence No. 2601

Thank you for your request dated June 21, 2024, seeking to extend the expiry of Environment Act Licence No. 2601 (licence) for as long as your Forest Management Operating Plan remains valid. The licence currently expires on June 30, 2024.

I amend clause 28 of the licence following section 14(2) of The Environment Act as follows:

Clause 28

The licence must be in effect for as long as Mountain Quota Holders Association's Forest Management Operating Plan remains valid.

In addition, Mountain Quota Holders Association must:

- a) maintain a valid Operating Plan for Forest Management Units 12 and 14;
- b) follow any additional conditions identified by the Director of Forestry and Peatlands Branch and the Regional Integrated Resource Management Team of the Manitoba government; and
- c) follow all other clauses of this licence.

Anyone affected by this decision may appeal, in writing, to the Minister of Environment and Climate Change at minecc@manitoba.ca by July 27, 2024. The licence is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/4613.10mountainquota/index.html>

If you have any questions about this approval, please contact Bryce Wood, Environment Officer, Environmental Approvals Branch at Bryce.Wood@gov.mb.ca or 204-781-7226.
