

## Notice of Environment Act Proposal

Manitoba Sustainable Development has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

### **RURAL MUNICIPALITY OF PIPESTONE - WASTEWATER FORCEMAIN – FILE: 4761.20**

A proposal was filed on behalf of the Rural Municipality of Pipestone for installation of approximately 13.9 km of high density polyethylene forcemain connecting a proposed lift station within the community of Pipestone to the Reston lagoon primary cell. The lift station will be located at NE 9-7-26 WPM and the forcemain piping will be located within the following municipal road right-of-ways: NE and SE of 9-7-26 WPM; NE and NW of 4, 5, 6-7-26 WPM; NE and NW of 1, 2, 3, and 4-7-27 WPM; and NE of 5-7-27 WPM. The existing lagoon servicing the Community of Pipestone will be decommissioned.

**Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (asit.dey@gov.mb.ca), not later than JUNE 27, 2016. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4<sup>th</sup> Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Asit Dey, Environmental Engineer at 204-945-2614.**

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
