Jonathan.Ramirez@darlingii.com

Dear Jonathan Ramirez:

**RE: Darling International Canada Inc - Notice of Alteration to Licence 1085 RRR.**

Thank you for the Notice Alteration dated May 18, 2021, in which you proposed to replace an existing air cooled condenser for the cooker for the Darling Ingredients Winnipeg Plant. It is indicated that the existing air cooled condenser reached its service end of life resulting in reduced efficiency. The new air cooled condenser model ACC-420 has 20% more vapour condensation capacity than the existing one. It is understood that the increased capacity improves the reduction of potential odour generated from the cooking process.

Upon review of your alteration request, I have concluded that the environmental effects of the proposed alteration will be insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act your alteration is approved as described in the May 18, 2021 Notice of Alteration.

If you have any questions, please feel free to contact Nada Suresh, Acting Regional Supervisor, Environmental Compliance and Enforcement, at 204-945-8214, or by email at [Nada.Suresh@gov.mb.ca](mailto:Nada.Suresh@gov.mb.ca).

Sincerely,  
Original Signed by  
Siobhan Burland Ross
