Dear Rebecca Wroblewski:

Re: Boeing Canada Operation Ltd – Licence 2846 R - Notice of Alteration

Thank you for the Notice of Alteration (NoA) you submitted on April 21, 2016 that describes a change in the local exhaust system equipment from the proposed specification for the facility located at 1345 Redwood Ave, Winnipeg. It is understood that instead of the originally proposed three sided open face local exhaust system, a one sided slotted backdraft local exhaust system will be installed.

I have concluded that the environmental effects from the NoA are insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act you are hereby authorized to carry out the alteration as described in the April 21, 2017 NoA.

If you have any questions regarding this matter, please contact Eshetu Beshada of this office at (204) 945-7023.

Yours sincerely,

Tracey Braun, M.Sc.
