Dear Ms. Johnson:

**Re: Bipole III Transmission Project – Environment Act Licence No. 3055**

This is in regard to your letter dated June 30, 2017 requesting approval for a minor right-of-way adjustment on private land in construction segment S1, related to Tower 6198.

It has been determined that the potential environmental effects from the minor right-of-way adjustment are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 3055.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 3055, pursuant to clause 14(2)(b) of *The Environment Act*. In accordance with Section 14(2) of *The Environment Act*, I hereby grant approval to Manitoba Hydro to implement the proposed alteration.

If you have any questions regarding this matter, please contact Ms. Elise Dagdick of this office at [Elise.Dagdick@gov.mb.ca](mailto:Elise.Dagdick@gov.mb.ca).

Yours sincerely,
