

**BIPOLE III TRANSMISSION PROJECT
HRIAs for Fieldwork Conducted**

Year	Report Title	Heritage Permit Number
2009	Riel Sectionalization (2010)	A17-09
2010	Bipole III Transmission Project: Archaeological Field Investigations for the Proposed Bipole III Transmission Line - Heritage Resources Impact Assessment (2011)	A34-10
2010	Bipole III Transmission Project: Archaeological Field Investigations for the Proposed Bipole III Transmission Line - Heritage Resources Impact Assessment (2011)	A42-10
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Proposed Keewatinoow Converter Station - Heritage Resources Impact Assessment (2011)	A49-10
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Proposed Keewatinoow Converter Station Heritage Resources Impact Assessment (2012)	A11-28
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Proposed Southern Ground Electrode - Heritage Resources Impact Assessment (2012)	A37-11
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Proposed 230 kv Transmission Collected Lines - Heritage Resources Impact Assessment (2012)	A43-11
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Keewatinoow Camp Facilities, Construction Power Site and Lagoon Areas - Heritage Resources Impact Assessment (2012)	A45-11
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Bipole III Transmission Line from Cormorant to Dyce Lake - Heritage Resources Impact Assessment (2012)	A40-11
2011	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Northern Ground Electrode and Feeder Line - Heritage Resources Impact Assessment (2012)	A44-11
2012	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the northern section of the FPR and Keewatinoow Converter Station - Heritage Resources Impact Assessment (2012)	A40-12
2012	Proposed Bipole III Transmission Project: Archaeological Field Investigations of the Southern Ground Electrode - Heritage Resources Impact Assessment (2012)	A50-12
2010	Bipole III: Keewatinoow Converter Station: Geophysical Survey of Rock Features at HdK1-01 (2010)	A49-10
2010	Bipole III: Red Deer River HRIA Summary Report (2012)	A50-12
2012	Bipole III North HRIA Summary Report (2012)	A40-12
2012	Bipole III Adjusted Final Preferred Route Environmental Assessment - Culture and Heritage Technical Report	All Permits
