Dear Michael Gordichuk:

**Re: Brady Road Resource Management Facility - Environment Act Licence

Thank you for your proposal. I approve construction of cell 34 of the Brady Road Resource Management Facility following clause 38 of the licence.

In executing the work, the operator must:

1. follow clauses 32 to 37 of the licence for liner integrity, construction, and inspection activities;
2. receive written authorization from an environment officer before operating cell 34 following clauses 31 and 35 of the licence; and
3. submit record drawing following clause 139 of the licence.

If you have any questions about this approval, please contact Edwin Yazon, Environmental Engineer, Environmental Approvals Branch at Edwin.Yazon@gov.mb.ca or 431-335-2554.

Sincerely,
