Dear Mr. Heppner:

Re: City of Steinbach Land Application of Sludge – Environment Act Licence No. 3136

Receipt of the October 2, 2015 letter and attachments relative to the requirements of Clause 22 of Environment Act Licence No. 3136 (Licence) and the City of Steinbach land application of sludge project is acknowledged.

The information provided in the letter and attachments has been reviewed and found to satisfy the requirements of the Licence. Please proceed with the land application of biosolids and sludge solids activities in accordance with the requirements of the Licence and as described in the October 2, 2015 letter and attachments and in the September 26, 2013 response to Technical Advisory Committee comments and requests for the City of Steinbach Land Application of Lagoon Biosolids.

If you have any questions, please contact Robert Boswick, Environmental Engineer, at 204- 945-6030.

Yours sincerely,
