Project Manager

Winnipeg Transit

Dear Mr. Crowder:

Re: City of Winnipeg - Southwest Rapid Transit Corridor – Stage 2 Project

This is in regard to the City of Winnipeg's request to de-water and conduct construction activities associated with the above noted project within the so called Letellier wetland in Spring of 2017.

I understand that a recent survey indicates there is no evidence of Northern Leopard Frogs within the wetland and that the Wildlife and Fisheries Branch of Sustainable Development has been consulted. Given this information, I hereby authorize construction activities within the so called Letellier Wetland in accordance with Clause 11 of Environment Act Licence No. 3121 E.

If you have any questions regarding this matter, please contact Ms. Elise Dagdick of this office at Elise.Dagdick@gov.mb.ca.

Yours sincerely,

Tracey Braun, M.Sc.
