

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

CANGENE CORPORATION EMERGENT BIOSOLUTIONS BIOPHARMACEUTICAL MANUFACTURING FACILITY - FILE: 5748.00

A proposal has been filed on behalf of Cangene Corporation doing business as Emergent BioSolutions Inc. for the continued operation of a biopharmaceutical manufacturing facility at 155 Innovation Drive in Winnipeg, Manitoba. The facility specializes in the manufacturing of liquid hyper-immunes, biopharmaceutical/bio-defense products and contract manufacturing. The potential environmental effects of the development are related to air emissions and hazardous waste generation.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Eshetu.Beshada@gov.mb.ca), not later than JANUARY. 23, 2015. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Eshetu Beshada, Environmental Engineer 204-945-7023.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
