Subject: Summit Soil Fabrication Environment Act Proposal - Our File No. 6088
Date: December 10, 2020 3:17:47 PM

Thank you for your Environment Act Proposal (EAP) relative to Summit Soil Fabrication submitted on November 2, 2020 for a Class 1 Waste Treatment and Disposal facility pursuant to The Environment Act.

I am the contact person assigned to co-ordinate the review and assessment of this EAP. I may be in contact with you for further information as required.

Just to let you know, File No. 6088 (our file) has been assigned to this EAP and I am preparing to have the EAP review initiated.

Please contact me if you have any questions.

Thank you,

Robert Boswick, P.Eng.

Environmental Engineer, Environmental Approvals Branch

Manitoba Conservation and Climate
