

LIVESTOCK MANURE AND MORTALITIES MANAGEMENT REGULATION

Offal and Deadstock Disposal Sites

The list below includes disposal sites which are authorized to accept offal and deadstock from livestock operations. Most other landfills, including Class 2 and Class 3 Waste Disposal Grounds prohibit carcass disposal, or can accept only small quantities with prior approval. This document provides a general overview and is only current to the date indicated below. **Information provided should be confirmed by the contact provided in advance of disposal.** Prior approval is required before shipment to any landfill (24 hour notice or more) is generally required.
