

In order that everyone enjoy Manitoba's provincial parks, and to ensure that your camping activities do not disrupt the activities of others, the following campground rules must be observed. (Additional rules may be posted in campground offices).

Quiet time is 11 p.m. to 9 a.m. The use of items such as chain saws, radios, or generators during this time is prohibited. Only permit holders returning to their designated campsites are allowed into campgrounds after 11 p.m. Vehicles entering campgrounds may be restricted.

Disturbances: Excessive noise or disturbance that intrudes on other campers is not permitted. This includes damaging property, fighting, screaming, loud music, insulting or obscene language, drunkenness or other disturbances. Failure to comply with these rules will result in enforcement actions, which may include a public disturbance charge under the Park Activities Regulations (set fine of \$672) and/or being evicted from all provincial parks for a period of up to 21 days. More serious disturbances could result in a charge for breach of peace under the Criminal Code and/or a ban from all provincial parks for one year. No refund will be issued.

Eviction: An evicted person is banned from entering all provincial parks for the duration of the eviction period. Failure to obey an eviction order by remaining in or returning to a provincial park when prohibited will result in further charges under the the Park Activities Regulation. No refund will be issued.

Consumption of Alcohol is only permitted on campsites. Certain group use areas and campsites remain liquor free all season.

Cannabis: The smoking or vaping of cannabis, medical or non-medical, is prohibited at all provincial park campsites,

yurts and family vacation cabins. Other restrictions also apply. For more information on cannabis use in provincial parks, go to: www.manitobaparks.com.

Generators may not be used between 11 p.m. and 9 a.m. They may not be used if the permit holder or immediate family is not present on the site. Continuous generator use during the day is not allowed.

Registering for a site on behalf of another individual is not permitted. An individual must register and acquire a valid permit to be on site. The permit can only be registered for one site and only in the registrant's name. Reservations however, may be made on behalf of others but must also be in the name of the site occupant.

Length of stay: From June 15 to August 15, no person or camping unit is allowed to occupy the same campsite for more than 21 consecutive nights.

Temporary removal of camping unit:

A campsite is considered vacant if the camping unit is removed from the site. Vacated sites may be checked-out and resold.
