Special Management Zones

These zones protect the integrity of the quality canoeing wilderness experience along major river corridors in the park. The following restrictions apply June 1 to September 15:

- Aircraft landings and take-offs are limited to designated drop-off and pick-up points.
- Recreational powerboating is not permitted, however powered whitewater rafts are permitted on the Pigeon River portion of this zone.

Further information about these guidelines are available in the park management plan at manitobaparks.com.

CAUTION TO ALL BACKCOUNTRY USERS: This park map is to be used for general information only. It is not a topographical or navigational map. Because of the changing nature of the backcountry, this map should be referred to only in conjunction with topographical and/or navigational maps, up-to-date aerial photographs, field markers, and other available data. For current park information, please call the Lac Du Bonnet District Office at: 204-345-1400

- Notes:
- Park visitors should check the fire danger level prior to any trip to Atikaki Provincial Park by calling the Lac Du Bonnet District Office at 204-345-1400.
